About Us

Poly Natraj Pipes is a trusted Indian manufacturer of durable and precision-engineered piping systems. With a legacy of many years, we cater to the growing demands of infrastructure developers, plumbing contractors, and industrial clients with a wide range of pipes in PVC, uPVC, CPVC, SWR, and agriculture-grade pressure pipes.

Our pipes are manufactured in adherence to ISI and other international standards. From water distribution and drainage to industrial and agricultural use, our solutions are designed to perform in diverse environments – offering strength, chemical resistance, and long-term durability.

NATRAJ®

CPVC PIPE

India's Leading uPVC & cPVC Pipes and Fittings

Product Features

Ultra Violet Resistant

Residential Purposes

High Strength & Durability

Ideal For Drinking Water

Industrial Usage

Suitable For Hot & Cold Water

Maintenance Free

Residential & commercial building

Public utilities & swimming pool

Indoor and outdoor installation of hot & cold water plumbing lines

Solar water heaters

For concealed, doughtake & terrace lopping
